- Haitian Creole: Intermediate

Recent Project Experiences

Document Management App – Personal project May 2023

- Created a React and ASP.NET Core-based document management app with upload, preview, and sharing features, using PostgreSQL and Azure Blob Storage.
- Added secure authentication and responsive design for all devices.
- Deployed on Azure, including user guides for easy adoption.

Meet App – Personal project, Careerfoundry Jan 2023

- Developed a progressive web app using React to display events from Google Calendar.
- Applied test-driven development, defining user scenarios for Jest (unit and integration), Cucumber (acceptance), and Puppeteer (end-to-end) tests based on user stories.
- Implemented serverless functions using AWS Lambda and used a Kanban board to follow an agile process.

Recent Professional Experiences

KARL STORZ – UI / UX Designer Sep 2023 – April 2024 • Berlin, Germany

- Designed visually engaging landing pages using Figma, driving customer engagement and enhancing brand presence Created landing page templates for each use case to ensure consistency and usability.
- Utilized Opentext CMS and Figma to design components and templates for the KARL STORZ website, facilitating efficient content management and cohesive visual design. Additionally, worked on UX copy and improved the overall user experience of the online catalog.
- Conducted competitor research and user journey mapping, providing valuable insights to inform product development and design decisions for the online catalog.

Kyto – UI / Brand Designer May 2019 – Jan 2022 • Berlin, Germany

- Created a cohesive brand strategy for Kyto, a software as a service company, and new products.
- Developed a new visual identity designing product and developing marketing materials such as stationary designs, PPT presentations, and social media graphics. Also designed the UI for the company’s website and mobile app to ensure a consistent brand experience.
- The new company branding, website and mobile design increased customer engagement with sales and a successful company acquisition by Müller Medien.
